# LIVEATIONS 'AN ARTISTS' HUB'

Liveations is a groundbreaking initiative dedicated to creating safe spaces for queer and BIPOC artists in Toronto. Our aim is to foster inclusivity, empowerment, and visibility for marginalized communities within the vibrant Toronto arts scene. We are committed to providing a platform where LGBTQ+ and BIPOC artists can express themselves freely and connect with audiences who appreciate their unique perspectives.

# OBJECTIVE/MISSION

At Liveations, we firmly believe in the power of the arts to bring people together, inspire innovation, and enrich lives. Our mission is to provide a supportive and inclusive environment where emerging and established artists alike can showcase their talents, connect with fellow creatives, and engage with audiences.

Toronto overflows with talent, so building a safe space where multi-disciplinary artists can gather and share their art with other artists can provide a rare and exclusive opportunity in the city. As it continues to grow, Liveations can be the connective tissue that links artists together which is desperately needed amongst Queer and BIPOC communities.

## EVENT BREAKDOWN

Liveations will have several scheduled performances throughout the event. After the scheduled performances, Singers, Actors, Visual Artists, Musicians etc., that attend the event will also have the opportunity to perform solo or to collaborate with other artists in the space, which is always encouraged!

# LIVEATIONS ART GALLERY

## A GROUP EXHIBITION

The Liveations Gallery is a dynamic space dedicated to showcasing the voices and visions of queer and BIPOC (Black, Indigenous, People of Color) artists.

At Liveations, we believe that art has the power to transform lives and communities. By providing a platform for emerging visual artists, we empower individuals to share their unique perspectives and stories with the world. From vibrant paintings to thought-provoking sculptures, our gallery celebrates art at every stage of development, fostering a spirit of innovation and inclusivity.

Your support as a donor or sponsor can make a tangible difference in the lives of artists and the communities they represent. Your contribution will help us provide essential resources and opportunities for artists to thrive, from funding exhibitions to facilitating educational programs and workshops. As a donor or sponsor of Liveations Gallery, you'll not only be investing in the future of art but also in the cultivation of a more diverse and equitable creative landscape. Your generosity will enable us to continue our mission of amplifying underrepresented voices and fostering meaningful connections through the power of art.

Join us in shaping a brighter, more inclusive future for the arts. Together, we can make a lasting impact on the lives of artists and the communities they serve.

Liveations is a Full-Service BYOB Event. This concept is unique in that all patrons looking to consume alcohol will bring their own bottle of alcohol and will then be served by a Liveations bartender's. Their bottle will be stored safely at the bar and a numbered drink card will be provided. Each card will correspond to the respective bottle - similar to a coat check. Liveations will provide soft drinks, garnishes and bottled water. As Liveations continues to grow and thrive, a Corkage Fee will be added to any ticket purchased. This concept is beneficial as it gives the opportunity to create an additional revenue stream and offers the chance to distinguish Liveations from other event spaces.

With Liveations events sponsored by an alcohol brand, the BYOB concept will then be replaced with a cash bar that will highlight their branded cocktails.
